Sanofi Thailand is Committed to Making A Difference to SOS Children's Villages Thailand

(Date) Sanofi Thailand volunteers led by Arpaporn Samabhandhu, Sanofi Consumer Healthcare Southeast Asia Zone Head together with management team and employees joined forces for a good cause to donate money and essential items to Chantira Somboonkerd, Fund Development and Communications Director, SOS Children's Villages Thailand.

The contribution from the organization has supported the work of the foundation to provide a better living of 120 children in need with the loving home.
